# King of the Hammers Covid Mitigation Outline

Over the last decade and a half Ultra4 Racing has developed successful working relationships with multiple local, state and federal government agencies within regions around the country we race. It is with their cooperation and assistance that we have developed the health and hygiene protocols necessary to support normal racer and spectator turn out at Ultra4 Racing Events.

Below you will find a summary of Ultra4 Racing's COVID event communication plan and a three-level mitigation plan. **Ultra4 Racing will consult with local, state, and federal government agencies to determine the proper response level to employ at least one month (30 days) prior to an Ultra4 Racing event date.**

## Pre-event Communication

Shall be posted to website, social media and shared in an e-blast to vendors and competitors one week prior to event. Communication will include guidance and information on COVID-19 symptoms and best practices to reduce the spread of the virus.

## Event Signage

Shall be placed at all entrance locations and throughout event site providing guidance and information on COVID-19 symptoms and best practices to reduce the spread of the virus. Additional signage will advise attendees not to participate if they are feeling unwell or believe they may be unwell.

## Event Attendance Waiver

All event attendees will be required to sign a waiver in which attendee confirms to the best of his/her knowledge that he/she has not been in the presence of an infected individual, does not exhibit symptoms related to the COVID virus and that he/she understands the health risks associated with attending an Ultr4 Racing event.

## Covid19 Testing

Should the County of San Bernardino require It ***(only if required - level 3 below)*** Ultra4 Racing will be prepared to test for Covid19 prior to admittance onto the lakebed. We are partnering with Vigilent Labs, Inc. and Med Next, to provide and administer *Rapid Response Covid19 testing at the entrance to the lakebed. For our traveling vendors advanced hometown testing will also be available, to avoid being turned around on the lake bad after a 3-day trip across the country should you or staff be found positive for the virus.

| Action | Level 1 Mitigation | | | | Level 2 Mitigation | | | | Level 3 Mitigation | | | |
|---|---|---|---|---|---|---|---|---|---|---|---|---|
| RECOMMENDED / REQUIRED | Fans | Racer | Vendor | Staff | Fans | Racer | Vendor | Staff | Fans | Racer | Vendor | Staff |
| Health declaration | | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED |
| Masks | | RECOMMENDED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED |
| Social Distancing | | RECOMMENDED | RECOMMENDED | RECOMMENDED | RECOMMENDED | RECOMMENDED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED |
| Contactless Meetings | | RECOMMENDED | RECOMMENDED | RECOMMENDED | | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED |
| Temperature Checks | | REQUIRED | REQUIRED | REQUIRED | | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED | REQUIRED |
