

Hello teams (and a special hello to Brad Lovell)

The dust is starting to settle with answers to questions and protocols now clear. This is a lengthy email, but one that is full of information, so please read to the end. We're a few short weeks away from racing and couldn't be happier that you are joining us for the 2021 King of the Hammers. Please share this information with other drivers and teams.

News

COVID-19 Testing

Testing Link:

Click the link above, select the King of the Hammers as your event, scroll to the bottom. Make your selection. Your choices are a.) provide your own test results, b.) order an at home test from HKP, or c.) test on the Lakebed. Even if you are choosing to test on the Lakebed, please make a selection so we know the plan for each driver.

Updated COVID-19 protocols:

Our initial plan required all spectators to provide negative COVID-19 test results in order to be granted access through the welcome gate and onto to the lakebed in general. It has become clear that this is unrealistic and unenforceable. In an effort to ensure the health and safety of all event participants including Ultra 4 staff, competitors, vendors and spectators we have developed the following revised and relaxed COVID-19 mitigation plan.

- Health Declaration / Temperature Checks will be required for all adult spectators entering through Welcome Gate and onto the lakebed
- Negative COVID-19 Test results or Proof of Antibodies/Vaccine will be required for all adult spectators that wish to enter Hammertown (Fenced and Managed Garage Area for Teams and Vendor Row)
- Rapid Response Testing will be made available onsite for \$20 to spectators that did not get tested prior to arrival on the lakebed
- Rapid Response Testing will be made available free of charge if any event attendee develops symptoms onsite.
- Testing and triage will be conducted with a protocol that protects medical professionals and manages positive tests in accordance with County Health direction.

For everyone on this email (drivers, co-drivers, staff, volunteers, media, etc...) you will be inside Hammertown, so testing is required. Please click the link above to select your testing method. Please reach out to Alan at alan@ultra4racing.com with any additional question or support.

Qualifying Schedules

All Qualifying Schedules have been posted online here:

Please verify your time. If you are not see your qualifying time period, please contact Alan at alan@ultra4racing.com

Here is a quick link resource to all of these items:

The Pit Crew Challenge

King of the Motos

If you haven't reviewed the updated data yet, please read this detailed announcement here:

Volunteers

Volunteers are the heartbeat of making KOH happen. If you or members of your team would like volunteer, please contact Simon at simon@ultra4racing.com or fill out the Volunteer Registration Form here:

Media

Be sure to submit your media credential request via the media request form. Once reviewed and approved or denied, the individual will be communicated with, then can proceed with their USAC license purchase and COVID-19 testing. There will be enhanced safety and COVID-19 protocols for the media team, including limited access to the media tent, social distancing, and masks required. Please fill out the form if you intend to be media at the King of the Hammers:

VP Racing Fuel Order

Be sure to get your VP Fuel order in to ensure delivery at the King of the Hammers. VP is our official racing fuel of Ultra4 Racing and the King of the Hammers. Click here to pre-order:

One final thing

We are excited you are joining us for the 2021 King of the Hammers. The live show is going to be great and the team is already on the Lakebed starting to build Hammertown. If you missed the live pre-show, here is a link to view it.

Travel safe. Be smart. Reach out with questions and we'll see you on the Lakebed!

~ Dave, Ryan, and the Ultra4 Team
